

CHANGE

is transformational

A black and white line drawing of a garden scene. In the foreground, there are several small plants with three leaves each, growing from a wavy line representing the ground. Behind them are taller plants with single flowers. To the left, a bird is in flight. To the right, a bird is perched on a branch. In the background, there are more plants, a cloud, and a butterfly. The text "VtSHARES" is written in a stylized font, and "CHANGE is transformational" is written in a larger, bold font. The year "2022" is at the bottom right.
